Vol. 4 No. 1

January, 2010

As we begin a new year, we have much to be thankful for! It amazes me to realize all the Lord has done for His/our precious Miracle House children in less than 4 years, including two daycare locations serving 60 children and ten acres ready to be developed for full time care for our children!!

That is the good news – but there is still the reality of the more difficult situations we have to experience. I'll format these as prayer requests because that is my point in sharing! I continue to ask for “the way forward” and the straight path; we are seeking the Lord and all that He has for us! The areas I'm asking for prayer are areas where we have experienced wasted time, energy, or resources, but we are thankful for the Lord's protection and provision.

Communication – International communication is a challenge; there are so many variables – expense, verbal communication/accent, and intermittent phone, electricity, and internet

Safety – Protection from calamity, confusion, theft, accident, and injury

Health – Health healing; protection from illness and disease – fungal, viral, bacterial, and allergies

Other schemes of the enemy – Corruption, selfishness, and lies

Pray that we will be seen as we are: people giving their lives for African orphan children, not just as mzungu, (white people) who have too much and need to be taken advantage of... lied to, over charged, stolen from, threatened, or intimidated.

We are so so thankful to the Lord for the wisdom, discernment, relationships, health, safety, and the way out of difficult situations He continues to provide!! We don't want to become fearful or passive; we know our security is in the Lord as He fights our battles for us, but we embrace our privilege and responsibility to pray.

“Ask and ye shall receive – seek and ye shall find - knock and the door *will be* opened” (Mat 7:7; Luke 11:9; John 16:24) – I'm paying special attention to the WILL BE!

We want to ask you to join us in continuing to ask and seek as the Word says we will receive and find – but, regarding the knocking, it says the door will be opened to you. For me this looks like continual knocking and watching as the door swings open... declaring who He is, declaring who we are, and declaring His promises and truths in prayer and petition!

I share these with you because the Lord is moving mightily in and through Miracle House. We want to stay on the offense, pressing forward, leaning in, and listening to His heartbeat!
