

HAPPY HOLIDAYS!!

To do list:

- ✓ Thanksgiving:
Count our blessings – too many to count!
- ✓ Christmas:
Give glory to God in the Highest!
- ✓ New Years:
We are thrilled as we look forward to 2010!

We are praying for the way forward...

Currently with two locations serving 60+ children in day care settings, we now have 10 acres and completed plans for development for full time care for our children. There is much to be thankful for!!! Miracle House is a young ministry – only three and a half years ago, the “word” began the journey to reality. Today, we are awed by the beautiful progress we have seen for the children... yet, we dream of more...

Enclosed you will find a Miracle House brochure and a new brochure just developed with information for the future building and development of Miracle House Base Camp! Please consider a special end of year gift for the first phase of Base Camp, our children’s future home!! As we gather proper paperwork for each child, they will be taken through a court process and relinquished by guardians before they become full time Miracle House children. We will be so pleased to care for them 24/7 - no more unknown variables for their care over night. One final note as you pray and dream with us: when fully developed as currently designed, these 10 acres will provide care for 200 children and some staff! From the beginning Deanna has said, “Dream big, start small; do what we do well... and watch to see what happens!”

All 2009 donors will receive giving statements by the end of January.
